Information Items:

A. Library Director's Report:

1. **Portage Township/Curtis Library Update** – Director Waskin shared information about her discussions with the attorneys at Foster Swift, along with a conversation with Portage Township Supervisor, Don Reed, and Library Manager, Linda Blanchard, regarding the contract negotiations. Supervisor Reed

informed Director Waskin that the Township would not be going for an increase in the millage, but would be willing to cover the library's expenses. However, he expressed doubt at the amount of money needed to run the library, which Director Waskin felt was a cause for concern moving forward with this plan. There would be no sustainability for the district, plus based on advice from the attorney, Director Waskin shared that it is inadvisable to have one portion of the district at a different millage amount than the rest, for both financial reasons, as well as not being fair to the other communities SDL serves.

2. **Board Meeting Dates and Times** – Director Waskin contacted all of the managers in the district about the suggested date and time changes for the SDL Board Meetings, and all were okay with the new meeting times. She shared the proposed schedule with the board. The one issue was the May board meeting since Director Waskin would be out of town on both the third and fourth Mondays in May, and the fifth Monday is Memorial Day, which is a holiday. Her suggestion was that the meeting be held at Les Cheneaux on a different day of the third week of May. It was decided that Wednesday, May 17th would work for everyone, and Manager French agreed to host the meeting at the Les Cheneaux Community Library since they had not gotten to host a meeting the previous year.
 3. **Millage 2024 Planning** – with the current millage ending in 2025, the district will begin planning for the millage increase to go on the ballot in 2024. A committee will be put together to begin the planning process.
 4. **Advocacy Day April 25th in Lansing** – Director Waskin will be attending the MLA Advocacy Day in Lansing on April 25, along with librarians from across the state, to meet with legislators to discuss various legislative proposals like more funding, gun laws, and remote meetings.
 5. **Strategic Plan** – Along with the millage proposal coming up, Director Waskin would like to form a Strategic Planning Committee to look at where the district wants to be in five years. She has begun soliciting suggestions from the staff at all of the libraries in order to start shaping a plan.
- B. **Treasurer's Report:** Treasurer Roll stated that she came to the library and reviewed the bills and signed the checks this month.
- C. **Board President Comments:** President McClenny shared her conversation with Portage Township Trustee, Don Reed, and their discussion about the Curtis Public Library Contract. He shared that they would not be going for a millage increase this year or next year with her as well.
- D. **Committee Reports:**
1. **Policy Committee** – The Policy Committee, made up of Trustee Orr, Bayliss Manager Sommers, Les Cheneaux Manager French, HR and Financial Manager Olson, and Director Waskin, met at the Pickford Community Library at 4:30pm on March 23rd to discuss the Personnel Policy, Patron Behavior Policy, Financial Policy, and Display Policy. Trustee Bergdoll was out of town and unable to attend the meeting.
 - a. The Personnel Policy was complete with one minor change made to state that sick leave may be used when other available time has been used at the discretion of the Director.

- b. The Patron Behavior Policy, Financial Policy, and Display Policy were discussed and changes determined by the committee. These will be presented at the April Board meeting for approval.
 - c. The need for a Crisis Communication Plan was also discussed by the committee. They will conduct a Vulnerability Audit to determine high probability risks and come up with a plan for each situation to present to the Board over the summer.
- A. Communications:** Director Waskin shared an email she received from Superiorland Cooperative Director, Dillon Geshel, regarding the cooperative's agreement to pay for the gas surcharge from WaltCo again this year to cover the higher gas prices being levied by the company for interlibrary loan deliveries.

Action Items:

Unfinished Business:

Discussion/Approval of Change in Dates and Times for Regular SDL Board Meetings for the remainder of Calendar Year 2023 – Director Waskin presented the new list of dates and times that she had verified with the managers at the libraries for the remainder of 2023.

Meetings will now be held on either the third or fourth Monday of the month (with the exception of the May meeting) at 3pm. A motion was made by Trustee Roll to approve the new schedule for board dates which was seconded by Trustee Orr.

Discussion: None

Motion passed unanimously.

New Business:

Discussion/Approval of Personnel Policy Revisions – The Policy Committee presented the board with the revised Personnel Policy. This was the third meeting that it has been presented, and no additional changes are needed. A motion was made by Trustee McConkey to approve the Personnel Policy Revisions. The motion was seconded by Trustee Roll.

Discussion: None

Motion passed unanimously.

Trustees' Comments: President McClenny thanked Manager Emily Hyde for hosting the meeting and for the snacks. She also thanked Manager Jane French for agreeing to host the May Board meeting at Les Cheneaux Community Library. Trustee Roll expressed her appreciation for all of the hard work being done by the Policy Committee to update the policies. This was echoed by the rest of the board.

Public Comments on Other Matters: Jane French shared that this is the 20th Anniversary of the Les Cheneaux Community Library. There will be an Open House Celebration on July 16th from 1pm – 3pm. They also enclosed the former reference area to create a Maker Space in the library.

Adjournment:

Motion made by Trustee McConkey and seconded by Trustee Orr, to adjourn the meeting.

Motion passed unanimously. Meeting adjourned at 7:10 p.m.

*Next meeting will be on April 23, 2023, at 3:00pm at the Mollie R. Kahl Community Library in Rudyard.

There will be a Policy Committee Meeting at 1:30pm at the Mollie R. Kahl Community Library, immediately preceding the board meeting.

Information Items:

A. Library Director's Report:

1. **Change Authorized Names on Petty Cash Account at Central Savings –**
Director Waskin shared that the petty cash account still had former manager, Pam Flood, and former HR/Financial Manager, Angie Lane, listed as signers. The

Board will need to vote to approve the change to Suzette Olson and Meredith Sommers on the account.

2. **District Library Happenings** – currently there is not much to report from the libraries.
 3. **Staff Mental Health Day** – Director Waskin is recommending an All-Staff Day to address some issues in the staff with stress, burnout, and anxiety related to Covid, recent events with a possible shooter, and just as an overall check-in and team building event.
 4. **Covid PTO** – Director Waskin recommends that Covid PTO be dropped at the end of April to align with the Federal state of emergency orders ending at that time, and to no longer give the five paid days off if an employee has Covid. They will just use standard PTO like any other illness.
 5. **MERS 3% and 5% contributions** – Suzette shared that the practice of employees who are eligible for MERS starting out at 3% and then switching to 5% once they reach \$4,200 in salary is a bookkeeping headache. Director Waskin communicated with the MERS agent as to why this was the policy, and learned that this had been set up back in 1946. Because salaries have obviously gone up since then, Director Waskin asked the board to please change the policy to just a straight 5% contribution to MERS from date of hire.
 6. **MERS Matching** – Director Waskin would like to investigate an employer matching donation to employees who are eligible for MERS with the Contract Review Committee.
 7. **Budget Revision for Adult Programs** – Suzette discovered that the budget for the Adult Programs had been overspent by the previous Adult Programming staff member, leaving the new hire without any program budget for the remainder of the fiscal year. Director Waskin revised the budget to cover the overspent budget and also have adequate funding for Adult Programs for the remainder of the fiscal year.
 8. **Board Meeting Dates** – Director Waskin asked the Board if they would like to change the day and/or time of the board meetings since there seemed to be a good response by the board at the rescheduling of the February meeting to an afternoon time slot, versus the usual evening meetings.
- B. **Treasurer's Report:** Treasurer Roll stated that she came to the library and reviewed the bills and signed the checks this month.
- C. **Board President Comments:**
1. Presentation of Slate of Officers for 2023-2024
 2. Trustee Committee Assignments for 2023-2024
- D. **Committee Reports:**
1. **Policy Committee** – The Policy Committee, made up of Trustee Bergdoll, Trustee Orr, Bayliss Manager Sommers, Les Cheneaux Manager French, and Director Waskin, met on Zoom at 3:15pm on February 28th to discuss the Circulation Policy, Children's Services Policy, Collection Development Policy, Pickford Community Room Policy, Personnel Policy, and the End of Employment Policy. The committee is still waiting to hear back from the Library Law Attorney at the Library of Michigan regarding the Exempt Status Policy and who can be considered exempt.

2. Contract Review Committee – The Contract Review Committee, which includes Trustee McConkey, Trustee Roll, and Director Waskin, attended a Zoom meeting with attorney Anne Seurnyck, along with Board President Karen McClenny, on Wednesday, February 15th to discuss the Curtis Public Library Contract and the options for renegotiating, shortening the library hours, or ending the contract. Attorney Seurnyck recommended that the Board end the contract with Portage Township for Library Services at the Curtis Library, citing that there had been several years of monetary loss to the district by having to subsidize the Curtis Library's budget because of insufficient funding from Portage Township and the increased costs of operating the Curtis Public Library. She felt that the library district has a fiduciary responsibility to the residents of the SDL that was not being met by having to make up the shortfall for operation of the Curtis Public Library by taking money from the other libraries in the district. Attempts to increase the amount and/or increase the millage over the past eight years have repeatedly been refused. This past year the Township finally agreed to increase the amount they paid to the district to \$36,000, but this would still fall short of the amount needed to run the library without subsidizing the budget. Manager Linda Blanchard had also shared that the Portage Township had not voted to increase the millage for the upcoming year at their board meeting on February 14th, but instead had voted to keep it at the same rate of 0.5 mil and to pay the SDL the \$36,000. The Portage Township Board did not respond to the contract proposal submitted by Director Waskin or informed them of the millage renewal rate of 0.5 mil that was voted in on February 14th. Therefore, the committee recommended that to the Superior District Library Board that they not renegotiate a contract with Portage Township for library services.

2. Communications: Director Waskin communicated with Attorney Michael Blum of Foster & Swift regarding personnel matters related to the Portage Township contract and the Curtis Public Library staff. Director Waskin shared information from that conversation with the Board. Director Waskin also had a phone call from Portage Township Supervisor, Don Reed, where he confirmed that the Portage Township Board would not be going for an increase in the millage rate and that he did not feel that the library needed the additional funds in order to operate.

Audit Report Presentation by Ken Halsma from Anderson, Tackman Inc. – a clean audit was reported by Ken, with a year-end surplus of just over \$100,000. The District budget is in good shape, and the MERS Retirement fund is still well overfunded at this time. He listed no concerns with the operations or financial state of the library funds or operations.

Information Items:

A. Library Director's Report:

1. **Grand Opening for the Pickford Community Library** – Director Waskin shared about the Grand Opening event on Saturday, January 14, 2023. State Librarian, Randy Riley, attended and performed the ribbon cutting, as well as Superiorland Library Cooperative Director, Dillon Geshel. The event was well attended, donor signs arrived in time and were put up by Cathie Chenoweth, cake and snacks were provided, as well as games for the kids. The event was well attended, and the best part was surprising Jim and Melanie Bolton with the Community Room Dedication in their honor.
2. **Trustee Appointments** – Both Tim McConkey and Jan Reelitz have been reappointed to the Superior District Library Board for another three years by the City of Sault Ste Marie and the Mackinac County Board.
3. **Discussion of Slate of Officers for 2023** – Director Waskin had consulted with Board President, Karen McClenny, regarding the Slate of Officers for the upcoming year that will be voted on at the February meeting. President McClenny stated that she would be willing and happy to continue as President for the year. At the meeting, Director Waskin asked the current officers if they would like to continue in their current rolls, and if there was anyone else who was interested in serving as an officer. All current officers would like to remain in their current seats, and no one else on the board was interested in running for any of the seats at this time.
4. **Committee Appointments** – All Trustees indicated that they are happy on their current committees, so no changes are needed at this time.

B. Treasurer's Report: Treasurer Roll stated that she came to the library and reviewed the bills and signed the checks this month.

C. Board President Comments: None

D. Committee Reports:

1. **Policy Committee** – The Policy Committee, made up of Trustee Bergdoll, Trustee Orr, Bayliss Manager Sommers, Les Cheneaux Manager French, and Director Waskin, met at Bayliss prior to the Board meeting on January 26th to discuss the Circulation Policy, the End of Employment Policy, and the Exempt Status Policy. Director Waskin also asked HR Manager Olson, to attend since they would be discussing personnel issues at the meeting. The committee recommended making all SDL Libraries fine free permanently. The committee also recommended certain changes to the exempt status and the End of Employment policy. (see meeting notes attached – courtesy of Manager French)

2. **Contract Review Committee** – The Contract Review Committee, which includes Trustee McConkey, Trustee Roll, and Director Waskin, met on Wednesday, January 25th to review the Curtis Public Library Contract and the Insurance Policy Revision regarding the Dental Plan. Director Waskin will draft a revised Proposed Contract, based on one that was proposed back in 2019, but that was not approved by Portage Township at that time. She will also try to connect with Portage Township Supervisor, Don Reed, again to discuss setting a committee meeting between the SDL committee members, and the Portage Township committee members. Director Waskin also shared that there was a mistake in the insurance dental plan, and that they had not included the orthodontia care that the board had approved the previous

year. When the documents for that arrived, Director Waskin discovered that the Elective Abortion option had been changed from Yes to No at some point, without her knowledge or board approval. She was able to get the corrected documents from our agent at NIS, Rick Labian, and fix the situation. She would like to have board approval noted in the minutes of the meeting in case there is any question about this in the future.

- E. **Communications:** Manager Hyde at the Pickford Community Library received an email from a patron who requested that he child be banned from checking out any books dealing with LGBTQ matters, and if we could not, then she would like her card to be canceled. Through a series of emails between both the patron and Manager Hyde and Director Waskin, it was finally decided that the child's card would be canceled, and there would be a note placed on the mother's card which prohibited her daughter from checking out items on her card. The patron seemed satisfied with this outcome.

Information Items:

A. Library Director's Report:

1. **Pickford Community Library Update** – Director Waskin shared the information on the current status of the building project, including the Grand Opening date set for Saturday, January 14, 2023. State Librarian, Randy Riley, will be coming up from Lansing and do the ribbon cutting, as well as

Superiorland Library Cooperative Director, Dillon Geshel. Finishing touches are being made to the shelving, with Jim Bolton making them by hand. The donor signage has been shipped and should arrive any day, and the donor tree will be made by hand out of wood with the donor leaves being ordered from a company. The cost will be significantly lower than if the library had the tree done by a company.

2. **Boiler for Bayliss** – The second boiler for Bayliss has finally stopped working and cannot be repaired. The estimate for a new, energy efficient boiler from Albert's Heating and Cooling, Inc. is \$17,734.
 3. **Audit Report Update** – Director Waskin reported that after she had told the representative from Anderson/Tackman, Ken Talsma, that the report was unacceptable, he came in and did a review of the books. He will be reporting to the Board and the January board meeting.
 4. **Salary Increases** – Director Waskin presented the updated salary range for the board's approval. The minimum wage is set to be raised to \$10.10 in January, and possibly to \$13.03 in February, based on a recent court ruling. The state has filed an appeal, which will hopefully be decided before February. The current salary increase is based on the \$10.10 minimum salary. If needed, Director Waskin will adjust the salaries if it increases to \$13.03 in February.
 5. **Raise Date for District** – Director Waskin reported that when the library was Bayliss, the fiscal year began on January 1st, so raises have traditionally been given on that date. When the library became part of the SDL, the fiscal year changed to July 1st, but the raises were still happening on January 1st. Director Waskin stated that having the different dates added work to both her and the Financial Manager in calculating salaries for the budget and in switching over mid-year. She would like to have the raises line up with the fiscal year moving forward, so recommends slightly higher raises for this January that would continue until July 2024.
 6. **Trustee Appointments** – Both Tim McConkey and Jan Reelitz have been reappointed to the Superior District Library Board for another three years by the City of Sault Ste Marie and the Mackinac County Board.
 7. **Board Dinner Date** – Dinner dates of either December 15th or January 26th were discussed. It was decided that that dinner would be held on December 15th at 5pm at the Bayliss Public Library. Board members may bring a side dish of their choice if they want, but it is not required.
- B. **Treasurer's Report:** Treasurer Roll stated that she came to the library and reviewed the bills and signed the checks this month.
- C. **Board President Comments:** President McClenny stated that she was glad to be back in person after being gone for medical reasons for the past few months. She also asked Board Members to look over the board meeting dates and locations for 2023.
- D. **Committee Reports:**
1. **Policy Committee** – The policy committee, made up of Sheila Bergdoll, Daryl Orr, Meredith Sommers, Jane French, and Director Waskin, met to discuss the plan for updating the policy moving forward. Since there were no urgent issues, it was

decided that they would just start at the beginning and move forward. The committee will meet monthly before the board meeting.

A. Library Director's Report:

1. **Pickford Community Library Update** – Director Waskin shared the information on the current status of the building project, and Jim Bolton, project manager and Emily Hyde, Pickford Community Library Manager, showed the board members around the building to look at what had been finished and what still needs to be done. A date for the Grand Opening still has not been set. It is

important to recognize the support from the community for the project, so we will be waiting until all of the signage listing the donors is up, and the finishing touches are completed before having the Grand Opening.

2. **Staff Changes for SDL** – Angie Lane will be stepping down as SDL HR and Financial Manager sometime in the next couple of months, once her replacement has been trained. Suzette Olson will be taking over as the new HR and Financial Manager, with a start date of December 5, 2022.
3. **Summary of Library Conferences** – Director Waskin, along with the managers from four of the district libraries attended the Michigan Library Association Conference in Port Huron on October 19-21. Meredith Sommers, Megan Stefanski, Shelby Thomas and Jane French all attended the two-day conference and reported back that they felt like they had gotten some good ideas, as well as some new networks established by attending. They felt it was well worth their time to go. Director Waskin also attended the MCLS Board Retreat in New Buffalo on October 23 – 25. Discussion centered around the organization's strategic plan, audit, and DEIJA initiatives. Director Waskin has been named the Treasurer of the MCLS Board of Trustees for the upcoming year.
4. **Other Updates from the District** – Director Waskin shared that the SDL will be participating in the MDHHS Covid Test program and will be able to provide free Covid testing kits to patrons. Victor Becker, Head of Circulation for SDL has been visiting all of the libraries to review the circ systems, answer any questions, and review circ policies. The second older boiler at Bayliss is on the fritz. Albert's Heating and Cooling will be coming out to check it out to see if we can do a quick repair or if it needs to be totally replaced. Director Waskin will be holding a Manager's Meeting at the Pickford Community Library on Wednesday, November 30th from 10:30-2:30. Topics like Intellectual Freedom will be discussed, with Cooperative Director, Dillon Geshel, coming over from Marquette to do some role playing and training on book challenges. We will also be discussing policies and setting up a Manager Roundtable every other month for them to get together on Zoom to discuss issues and ask questions.
5. **Audit Report** – Director Waskin reported that there were many inaccuracies in the initial draft report from the auditor, especially the lease agreements and the grant information. She contacted Ken Talsma from Anderson Tackman Auditing, and he will be talking to her about the issues and getting them fixed in the next week or two.
6. **Trustee Appointments** – Both Tim McConkey and Jan Reelitz have been reappointed to the Superior District Library Board for another three years by the City of Sault Ste Marie and the Mackinac County Board.
7. **Board Dinner Date** – Dinner dates of either December 15th or January 26th were discussed. It was decided that that dinner would be held on December 15th at 5pm at the Bayliss Public Library. Board members may bring a side dish of their choice if they want, but it is not required.

D. Committee Reports:

1. Pickford Community Library Fundraising Committee – the fundraising for the building renovations has exceeded the goal of \$150,000, and it is still rising. We are now purchasing furnishings for the building as we finish up construction projects.

2. Contract Renewal Committee – The contract review committee, made up of Tim McConkey, Cris Roll and Lisa Waskin met to go over the health insurance proposals. Rick Labian, our agent from National Insurance Services at first had indicated that we would be looking at an 11% increase over last year because of Covid, however Director Waskin reminded him that we had gotten hit with a 12% increase last year because of Covid, so didn't think they could justify another huge increase a year later for the same reason. He went back and did some calculations, and we were able to lower it to a 6% increase. Not great, but much better than 11%. He also stated that in addition to the Simply Blue PPO 4000 that we have been offering, there is a Simply Blue HSA 3000, that would offer the same options to go out of state, but that included a Health Savings plan. The biggest differences would be the lower deductible, but participants would have to pay the full costs, without co-pays, until their deductible is met. The HSA would allow staff to put money into a saving plan to help offset those costs as they came up.

3. Policy Committee – The policy committee, made up of Sheila Bergdoll, Daryl Orr, Meredith Sommers, Jane French, and Director Waskin, met to discuss the non-resident card rate for the district. Director Waskin reviewed the Library of Michigan's state aid report to see what other libraries in the state charged, and then obtained the tax amounts for several areas of the district to come up with an average amount paid by residents in the district for library taxes. It came to just under \$45 a year per residence. The current non-resident rate is \$80/person per year. The committee recommends that the rate be lowered to \$45/household per year. The district will also continue to offer the temporary card to those non-residents staying in the district for 16 weeks or less at a rate of \$20/household with a \$5 service fee. At the end of the stay, the \$20 will be refunded to the patron as long as all of their materials are returned and they don't owe any fees for lost or damaged items.

Discussion/Approval of a Policy Change for the District Non-Resident card fee to go from \$80 per person per year to \$45 per household per year– A motion was made by Trustee Roll and seconded by Trustee McConkey to approve a policy change in the non-resident card fee to be reduced from \$80/person per year to \$45/person per year starting December 1, 2022. The district will continue to offer the temporary card to visitors to the district for 16 weeks or less per year at a rate of \$20 per household with a \$5 service fee. The \$20 will be refunded when they leave, as long as all materials have been returned and there are no outstanding charges for lost or damaged materials.

Discussion: There was discussion about the rate for those people living near Curtis being too high still, led by Manager Blanchard. Several options were shared by the board and Director Waskin to help people in those areas with financial difficulties to offer a payment plan, or to use donations to cover the cost. After more discussion, it appeared that the people wanting cards from Curtis mostly have cards at other libraries but prefer to use Curtis. It was decided that if they wanted to use SDL resources, they would need to pay for them, since it was a choice that they were not using their home library.

Motion Passed Unanimously

Trustees' Comments: None

Public Comments on Other Matters: Manager Blanchard expressed concern about the \$45 rate still being too high for some people in her area. She also shared that the Portage Township planned to have the library millage on the August 2023 ballot. It was not clear if they would be increasing the millage as requested by the SDL Board of Trustees at that time. The current contract will expire in June 2023, and a new contract needs to be negotiated as soon as possible, but no later than March of 2023, in order to meet budget deadlines.

Adjournment:

Motion made by Trustee McConkey seconded by Trustee Orr, to adjourn the meeting. Motion passed unanimously. Meeting adjourned at 7:50 p.m.

1. **Budget Revision for FY2021-2022** – Director Waskin presented the revised Budget for the FY2021-2022, to reflect the Pickford building project donations and expenditures for the fiscal year.

2. **Other Updates from the District** – State Librarian, Randy Riley, will be visiting the Mollie R. Kahl Library in Rudyard on Monday, September 26th at around 3pm. In addition, the Rudyard Area School board authorized payment of \$9,000 to replace the air compressor in the library so that they would have air conditioning. Director Waskin had communication with the Portage Township Supervisor about the Curtis Library's internet being included in the township's costs, however, after looking into the cost for Portage Township, they have decided that it would be too much of an expense for them. Therefore the Curtis Library will continue with the cooperative and SDL for e-rate discounts and with negotiating for their costs. SLC tech Gordon Tellefson will look into getting them greater bandwidth. The district also purchased new computers for four of the libraries most in need of updated equipment – Bayliss, Brevort Township, Engadine, and Pickford.
3. **Pickford Community Library Update** – the library is now open for business, and finishing touches are being put on the Community Room. Shelving is due to arrive next week. The volunteers have moved all of the materials we are keeping from the old building, and they will be totally out of there by the end of September. A date needs to be scheduled for the Grand Opening and dedication of the new building soon.
4. **Superiorland Library Cooperative Board Member** – Trustee Tim McConkey has indicated that he would like to step down as the SDL representative to the Superiorland Library Cooperative Board. Trustee Daryl Orr has indicated that he would be willing to accept the position for the next year.
5. **Upcoming Library Conferences** – Staff from five libraries will be attending the UPRLC Conference in Marquette on September 29th and 30th. This is the first in-person conference we have had in three years. Director Waskin, along with library managers Jane French, Meredith Sommers, Megan Stefanski, and Shelby Thomas will be attending this year's MLA Conference in Port Huron on October 18th – 21st, also in-person.
